# A PRICELESS MEMORY...

## *Be a permanent part of the paths that pave OSU's heart!*

A campaign is underway to project the Formal Gardens into the 21st century while enhancing their beauty and accessibility. The garden walkways, which extend west from the Student Union portico, are surfaced with brick pavers, making them suitable year-round for walking, strolling and wheelchair traffic.

With a donation to the project, a paver brick will be engraved as a reminder to future generations of your path at OSU and commitment to the beautification of the campus. Tax-deductible donations are available in three areas designated as *Friends*--$25, *Associates*--$50 and *Inner Circle*--$100.

Don't miss this opportunity to show your support for OSU or pay tribute to a loved one. Space is limited.
